

PRIME Privacy Statement

This privacy statement is to inform you about the information that will be collected from you, regarding PRIME-courses.

Which data

The kinds of data which will be collected from PRIME-courses are:

- Student data concerning participation in the blended learning concept
- Grades
- Class Attendance

Collection

Various ways to collect data will be used, such as:

- Through Turning Point
- Through Brightspace
- Through Card-readers
- Through Collegerama
- On Paper

Usage

The collected data will only be used for statistical research on education, to serve educational improvements and will not affect your academic results in any way. The data will not be published or shared.

Storage

All collected data will be stored. After processing the data, all data will be anonymized. If you don't want your anonymized data to be kept, you can tell us by email until the data is anonymized, after which we will not be able to remove the data from the dataset.

More information

Please visit: <https://www.tudelft.nl/privacy-statement/> for more information on the TU Delft Privacy Policy. Questions? Send an email to PRIME@TUDelft.nl.
