

## Form for earning GSC for TU Delft AI(-related) seminars

Per 4 seminars from the Artificial Intelligence (-related) seminar series: Human-Centred Artificial Intelligence Systems (HCAIS) Deep Dive; and Delft AI Lab Lunches, PhD candidates from partaking TU Delft faculties can earn 0.5 GSC (category: Discipline Related Skills) for up to 1.5 GSC. The PhD candidate is responsible for collecting the confirming signature of participation from the organisation or speaker per seminar on this form. Check with your local Faculty Graduate School (FGS) if your FGS offers this option for earning Discipline Related Skills GSC; and with your supervisors if they accept our seminars on your Doctoral Education (DE) list.
