

# Are you looking for a scientific article but not working or studying at TU Delft?

## GET THE PDF!

1

### UNPAYWALL

Find, track and use 25 million open access publications. Download the unpaywall extension at [unpaywall.org](http://unpaywall.org) and get access to full-text research papers. For Chrome and Firefox.

4

### REQUEST COPY VIA AUTHOR

You can always request a copy directly from the author; often not the fastest way, but traditionally a well-used route to get PDFs.

2

### OPEN ACCESS BUTTON

Free, legal research articles delivered instantly are automatically requested from authors. Download the button at [openaccessbutton.org](http://openaccessbutton.org) as an extension for your browser.

2

5

### #ICANHAZPDF

Use the hashtag #ICanHazPDF in a tweet with the link or name of the desired publication. People who have access to the publication can then share it with you.

5

3

### GOOGLE SCHOLAR BUTTON

Find Full-text articles via Google Scholar Button. The button is a plug-in and is available for [Firefox](#), [Chrome](#) and Safari. Add it in the settings of your browser.

6

### BUY FROM PUBLISHER

You can buy the PDF from the respective publisher or journal by contacting them via their platforms.
