

What you can do to keep our campus safe and healthy

- Stay at home if you have symptoms and get tested
- Also stay at home if any of your housemates have symptoms.

Keep 1,5 meters distance
If the 1,5 m distance cannot be maintained, you can be asked to leave the building

- Follow the hygiene guidelines:
- Wash or disinfect your hands regularly
 - Do not shake hands
 - Cough and sneeze in your sleeve
 - Use disposable tissues

Work from home as much as possible

Avoid crowded areas

Use your campus card to access your building

Use a sanitizer or disinfectant to clean your desk and keyboard

Follow the walking routes indicated

Wear face masks when traveling with public transport

Check the opening hours of buildings and catering facilities

Take the stairs if you can: elevators are reserved for disabled people and freight transport

[Study places](#) on campus are limited
