

Transitional Measures 2020-2021

Legenda	
	Students who didn't pass their P2 in academic year 2019-2020 should start in a new graduation programme from the same or another studio in academic year 2020-2021 or later.
	Students who passed the P2 in academic year 2019-2020 can finish their graduation until 31 January 2023. If the student didn't graduate by then, the student needs to start in a new graduation programme from the same or another studio. Please take into account that students need to pass their P4 within a year of the date that they've passed their P2.

Architecture - General				
Programme 2019-2020	Credits	Programme 2020-2021	Credits	Remarks
AR2A010	6	AR2A011	5	New course code. Students who didn't pass the 2019-2020 course should do the new 2020-2021 course. Students should also take 1 credit of electives extra. Besides that students should follow the course AR1A066 as a preparation for this new course (AR2A011).
AR2A015	3	-	-	Students who didn't pass the 2018-2019 course got two retake opportunities in 2019-2020. If students didn't pass these retake opportunities they should take 3 credits of electives extra.
AR2AT030	6	AR2AT031	5	New course code. Students who didn't pass the 2019-2020 course should do the new 2020-2021 course. Students should also take 1 credit of electives extra. Besides that students should follow the course AR1A066 as a preparation for this new course (AR2AT031).
AR3A160	6	AR3A010	5	There will be one hand in moment for the final assessment for students who did not pass the course (AR3A160). For more information contact the course coordinator. Starting from the academic year 2020-2021, students should take the new course AR3A010 and also 1 EC extra for the elective part of the programme.
