

If you want to take a minor at the TU Delft, you should take the following steps:

1. Arrange a second enrollment at TU Delft through [Studielink](#).
 - Select "Choose a Study Programme", choose the minor-education of your choice and follow all steps (see printscreens). *See below overview on page4/5.*
 - After the registration you will receive an email with your TU Delft student number and an email with your Net ID. You will need this in order to sign up for the minor of your choice.
2. After your registration in Studielink you need to fill in the online registration form.
 - External students can apply only for a selection minor between 1 and 15 April 2021 and for a non-selection minor between 3 and 31 May 2021.

You will receive an email before 10 May 2021 notifying you about whether you have been admitted to the selection minor and confirming your place by e-mail.

You will receive an email before 20 July 2021 notifying you about whether you have been admitted to the non-selection minor and confirming your place by e-mail.

Overview and confirm

You are now requesting to be registered as a minor student. As part of the degree programme at your home university you intend to follow a minor-programme at TU Delft. See the website for more information: <https://www.tudelft.nl/en/student/administration/enrolment/enrolling-as-a-minor-student-guest-student/>

My postal address, e-mailaddress and telephone number may be shared with:

-

Do you have a disability for example dyslexia, AD(H)D, autism, a motoric disability or chronic disease? TU Delft offers support at studying. For your support, we would like to inform you about the possible options the TU Delft could offer you. Do you want us to contact you regarding the possibilities before the summer starts?

No

Information about your rights and obligations can be found in the Student Charter. See <https://www.tudelft.nl/en/student/legal-position/education-regulations/>

I agree
