# Minors | Deadlines registration minors 2021-2022

The registration periods and placement procedures for selection minors and non-selection minors differ. Therefore it is important that you clearly decide well in advance whether you want to take either a selection minor or a non-selection minor. Your choice has consequences.

CHOICE

## Selection minor

Minor offer: LEI, TU Delft\*, EUR

via MyTUDelft

**Registration period** 1 - 15 April  
Starting @ 0:00

**Max. preferences** 1

\* Excluding the minor offer of the Faculty of Architecture (A+BE)

Additional requirements may also apply to selection minors, such as a request for extra documentation. You can find more information about the admission criteria on the website of the selection minor in question.

## Selection minor

Minor offer Faculty of Architecture (A+BE)

via MyTUDelft

**Registration period** 16 - 21 April  
Starting @ 13:00

**Max. preferences** 2

It is not allowed to take to the same minor in both preferences when specifying your preferences. Participation in this registration period is only possible if you have not yet registered for another selection minor.

! Results of final placements before 30 April. Be aware that, once you have been given a place in a selection minor, you may no longer de-register in order to register for a non-selection minor.

CHOICE

## Non-selection minor

Minor offer @ LEI, TU Delft, EUR

via MyTUDelft

**Registration period** 3 - 31 May  
Starting @ 0:00

**Max. preferences** 5

**Placement method** Lotterydraw

If you are not allocated a place after the lotterydraw or are not happy with the place you have been offered, you can register directly during the second registration period for a different non-selection minor, provided there are still places available.

## Non-Selection minor

Minor offer @ TU Delft

via MyTUDelft

**Registration period** 1 - 15 July  
Starting @ 0:00

**Max. preferences** 1

**Placement method**  
*first come, first served based*

de-registering and re-registering to a non-selection minor is at your own risk. Once the second registration period has closed, it is no longer possible to register for thematic non-selection minors, even if there are still places available.

! Results of lotterydraw before 30 June. It happens that not all of the places available at our partner universities are filled. These places are made available again during the second registration period.

## Individual composed minor

Also known as a free minor

For the procedure and approval contact your Faculty

Please note: you may not include courses from thematic minors in your free minor. For the application requirements that apply to free minors, see the relevant faculty and the teaching regulations of your degree programme.
