

Request for event-support from DCSE

By completing this form you may apply for financial support from the TU Delft Institute for Computational Science and Engineering “**DCSE**” to help organize scientific meetings such as workshops, mini-symposia, summer schools regarding the research and education activities within the DCSE research groups. **The maximum amount of support is Euro 2500,-- in individual cases the DCSE Institute Board may allow higher requests.**

Completion of this form and adding additional information about your request constitutes the first stage in acquiring support. Your application will be assessed by the **DCSE** Institute Board. You will be informed within 4 weeks.

Additionally, your scientific meeting is expected to acknowledge **DCSE** support via visible PR. After completion of the scientific meeting a final brief report will be requested.

Please complete this form and send it to dcse@tudelft.nl
