

Support for applying to the European Wind Energy Master- Step 2

Thank you for showing interest in The European Wind Energy Master! We're really excited about potentially having you on this journey!

This document will guide you through the application guidelines on our website and make sure that you hand in the required documents. As mentioned on the website, these guidelines are in addition to:

- [TU Delft's MSc application procedure](#)

It will be stated if there is an exemption or specific rule for EWEM students.

If you have not gone through the admission requirements on the website and the support document Step 1, we strongly advise you to do so.

EWEM APPLICATION GUIDELINES CHECKLIST

NOTES:

- You may only apply for one MSc program at a time.
- You are required to pay a 120 euro application fee. This will be refunded if you start your master studies with TU Delft.
- If you were admitted last year and would like to re-apply you must create a new application. This includes a new application in Studielink.
- Regarding the Proof of English language proficiency:
 - Verify if this is required for you in the admission guidelines checklist
 - If it is required, you may upload it until the 1st of July. All other application documents are required before the 1st of April.
- You will likely receive an admission decision within 12 weeks following your receipt of your complete application. If you have not received your admission decision by then, please send an email to ewem@tudelft.nl

EWEM applicants do not have to take the GRE test.
